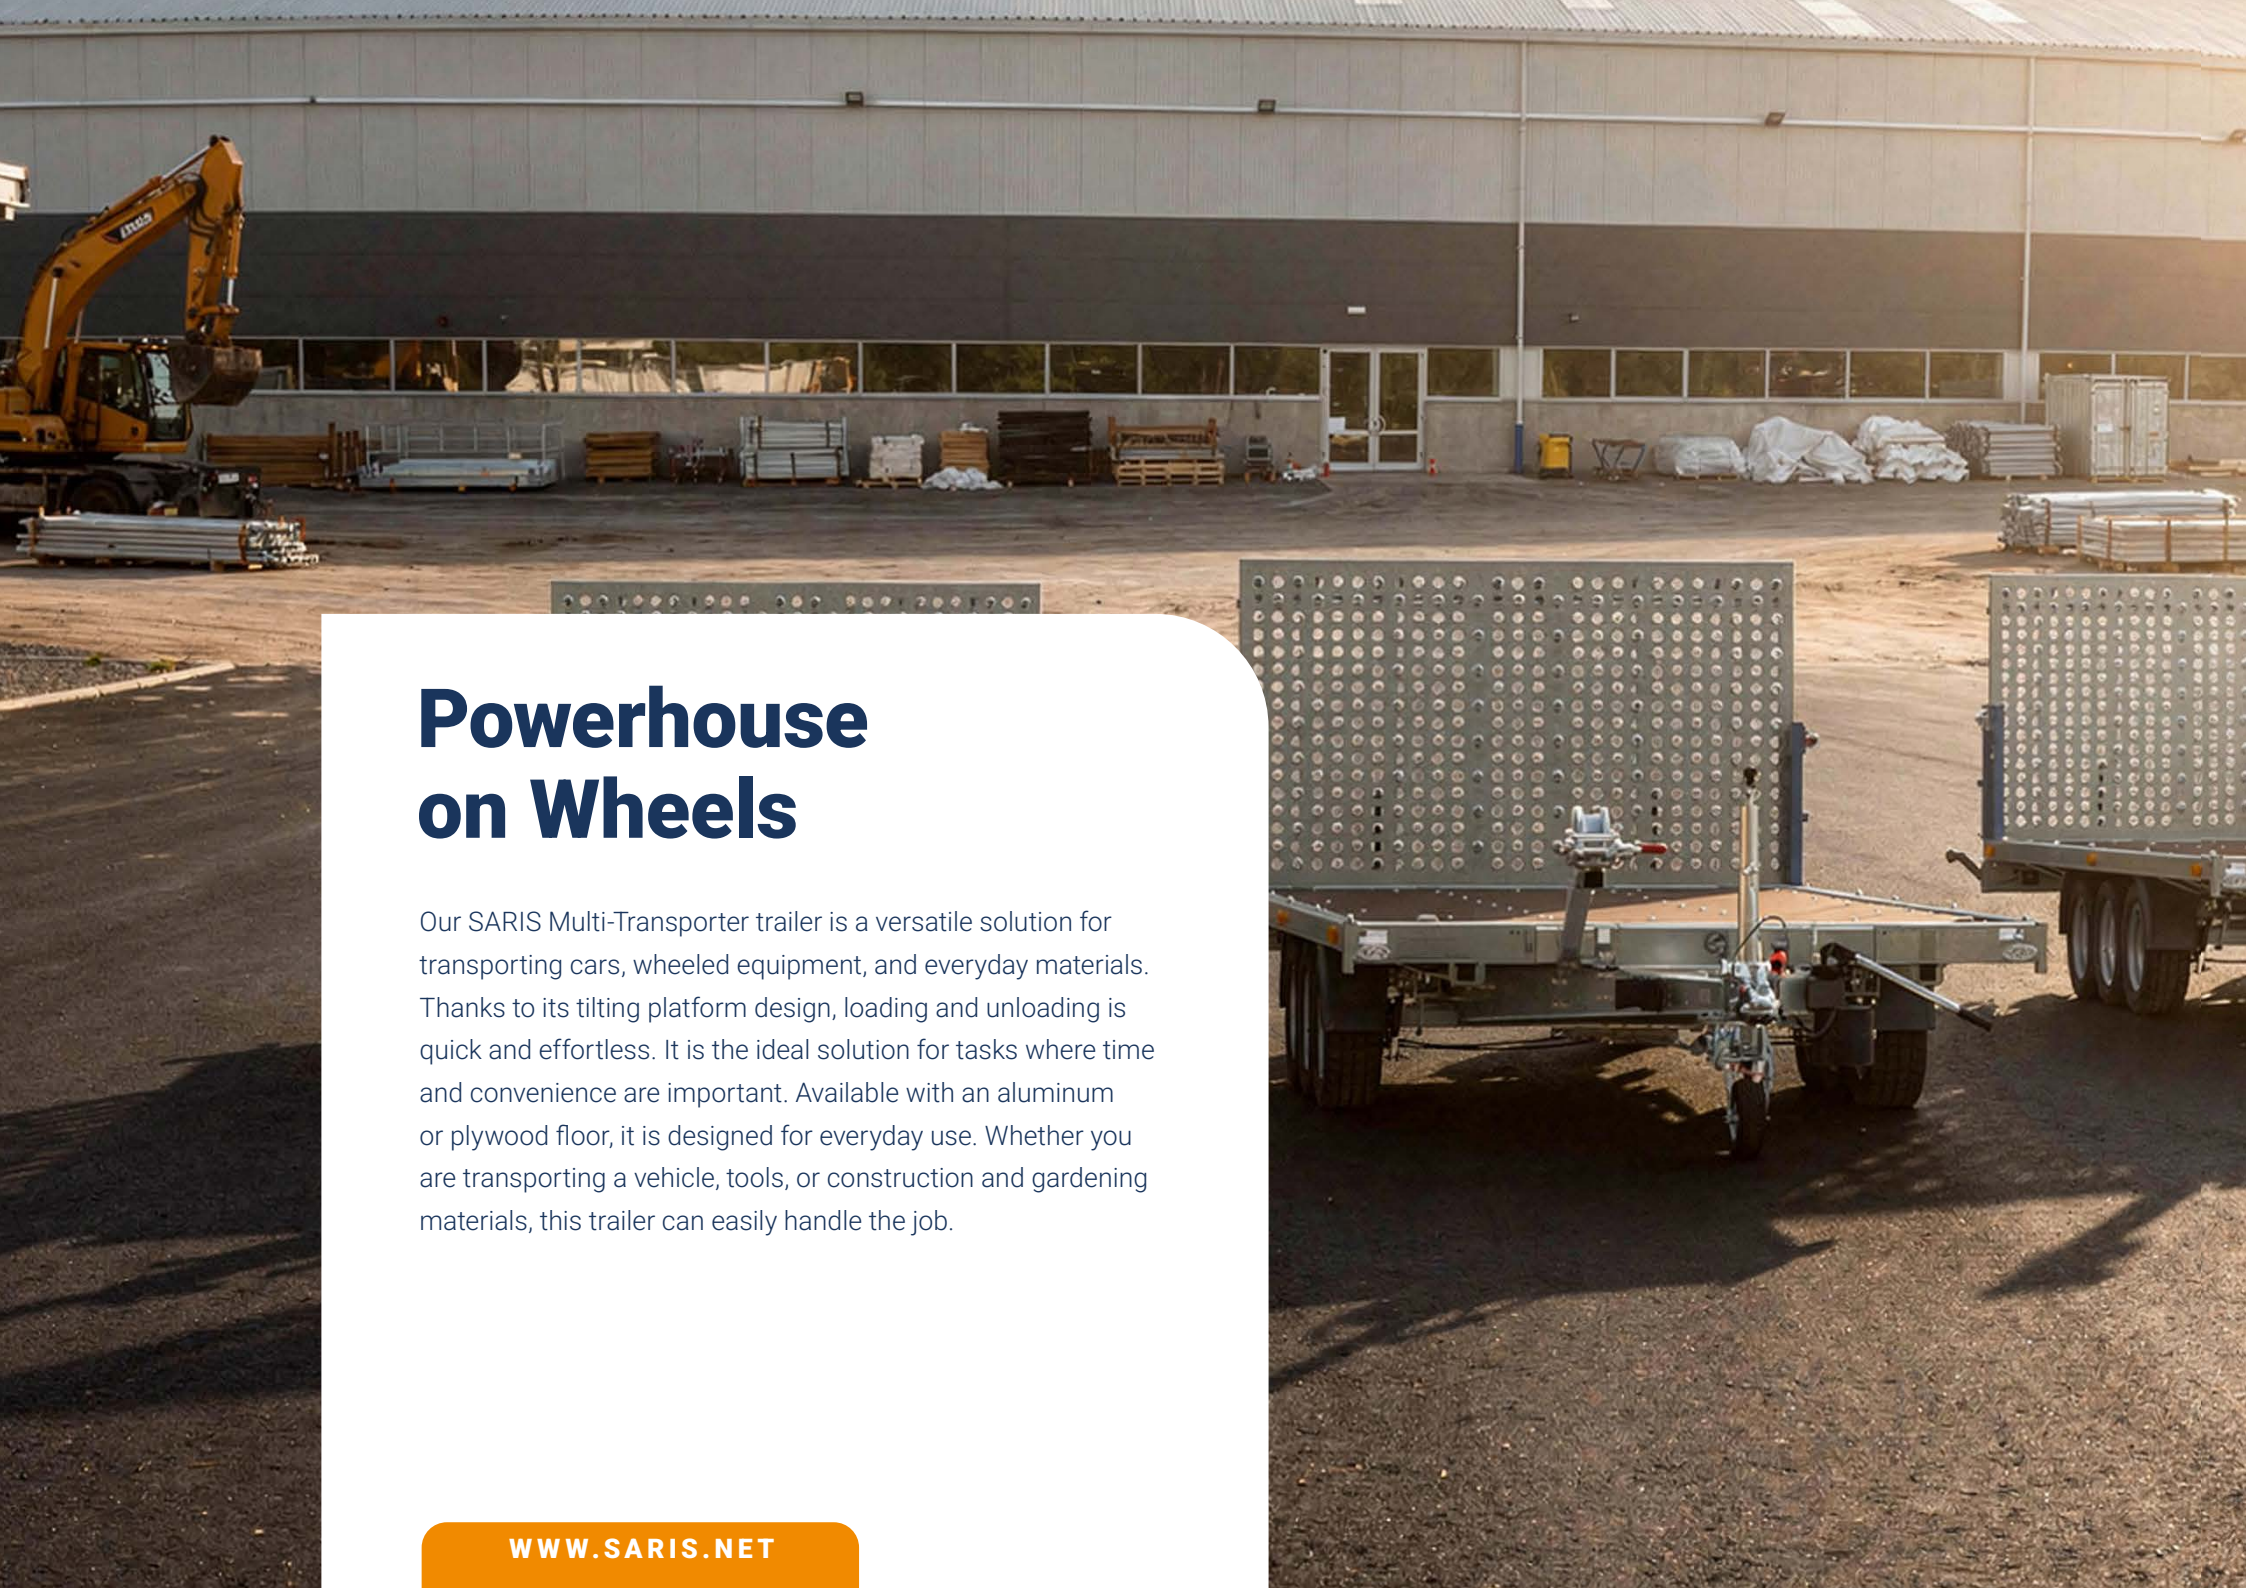
Multi-Transporter

→ A versatile transport trailer

WWW.SARIS.NET



Powerhouse on Wheels

Our SARIS Multi-Transporter trailer is a versatile solution for transporting cars, wheeled equipment, and everyday materials. Thanks to its tilting platform design, loading and unloading is quick and effortless. It is the ideal solution for tasks where time and convenience are important. Available with an aluminum or plywood floor, it is designed for everyday use. Whether you are transporting a vehicle, tools, or construction and gardening materials, this trailer can easily handle the job.

Our TP trailer is designed for transporting cars, wheeled equipment, and all kinds of everyday loads. Whether it's building materials, gardening supplies, firewood, or bulky items... the SARIS TP trailer can handle it with ease. Thanks to its tilt function, you can work faster and with less effort – even if you are alone. This makes the Multi-Transporter the ideal, versatile solution for renovation work and practical everyday transport. No matter what you want to transport, this trailer is ready to go.

Your SARIS dealer:

Commitment
Commitment

Our entire trailer production process is characterised by commitment. We work continuously on improving our trailers, based on experience, expertise and craftsmanship. Reliable products made by a reliable company. This has been our culture for more than 60 years and it produces top quality and clear agreements with customers and suppliers.

Cooperation
Cooperation

SARIS builds trailers and works on long-term relationships with suppliers, dealers and end users. We have confidence in our business contacts and listen to them. This cooperation produces innovative products, with which we help our partners to be successful.
Customers and dealers are of central importance at SARIS and they can always depend on the best service and quality.

Craftsmanship
Craftsmanship

SARIS trailers are manufactured by craftsmen, for craftsmen. The foundation for this is a well-thought-out design, with a keen eye for detail and design. We use only the best materials and make quality products in accordance with certified processes.
A SARIS trailer is built for you to move mountains.
